

# GUN LAW UPDATE

*Guns are still not allowed  
in any  
Florence City Schools facility  
or on school grounds*

Citizens of Florence,

Although the Open-Carry Law went into effect on August 1, school districts and school property remain **WEAPONS FREE** zones. No weapons are allowed on school grounds, in school buildings, in school campus parking lots or on the premises at Braly Stadium. Our children are our future, and our first priority in educating them is to ensure their safety while in our care.

Dr. Janet S. Womack,  
Superintendent

Florence City Schools
