BRALY STADIUM

521 N Royal Ave.
Florence, Alabama 35630

With a major renovation to the facility in 1980, the stadium was renamed Braly Municipal Stadium, signifying the partnership between the City of Florence, Florence City Schools and The University of North Alabama.

The 14,215 seat stadium has been the site of Florence Falcons home football games since the school opened in 2004. Braly Stadium, from 1986 to 2013, hosted the NCAA Division II Football Championship Game as well. Since the Division II title game was created in 1972, no city had served as the host for more than five years until the Shoals area and Braly Stadium did it for 28 straight years. It is the second longest continuous period that any site had hosted any NCAA championship in any sport on any level.

Renovated in 1980, and again in 1998, the stadium now seats 14,215 and has an artificial ProGrass playing surface to rival any in the country.
