

DONORS
KidCheck Program

Through the annual KidCheck program, students in grades 1 and 4 were administered health screenings during the 2012-2013 school year. This program, which is coordinated by Karen Williams, Lead Nurse for Florence City Schools, is affiliated with both the state and national KidCheck network which is dedicated to the monitoring of issues related to the health and well being of children.

Sincere words of thanks are extended to the following individuals, agencies and businesses who made this year's KidCheck program possible in our schools:
